

Safeguarding Children

Sometimes life is confusing and makes all of us (grownups and children) feel worried.

When this happens, we at Churchfield CE Academy are here to offer help and support to children and families.

This support can be found by talking to your class teacher or Mrs Parker/Mrs Brand and from the organisations listed below.

If a parent or member of staff is concerned about a child then they could also seek advice from the organisations below and they should also notify Mrs Parker or Mrs Brand at the school so that support can be offered and put in place where appropriate.
