

Writing

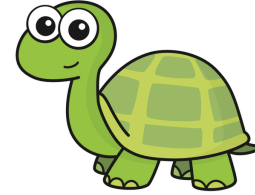

We are writing graphic novels, instructions and Christmas riddles.

Reading

Children will be practicing their questioning, inference, clarifying, evaluating and prediction skills.

Maths

This half term we are practicing addition and subtraction as well as multiplication and division.

Science

Sound and Vibration

This science unit explores the properties of sound and vibration, examining how sound is produced, how it travels, and its effects on the environment and human perception.

History

Romans

This unit explores the impact of Roman Britain, including key events, daily life, and the legacy of Roman culture, fostering an understanding of historical timelines and influences.

Lower Key Stage 2

Rowan

Laurel

Oak

Autumn 2

Religious Education

Children will be exploring how Christians feel about reconciliation and how that can effect people's daily lives.

PE

Children are exploring fitness through circuits.

Music

Children are learning how to perform vocally as part of a group.

PSHE

Through "Jigsaw" the children are learning how to celebrate differences.

Computing

Using Purple Mash, children are learning about planning routes using LOGO.

Art

Using 3D shapes children are creating beautiful sculptures.

Home Learning

Please read 3 times a week, practice spellings and go on TTRS.
