

A Social Story: Keeping my hands to myself

It is important to play nicely.

I have fun with my friends.

Sometimes me and my friends fall out.

This makes me feel sad.

Sometimes when we fall out, I hurt my friends.

This is not kind.

Sometimes I hit or kick my friends.

Sometimes they hit or kick me.

When I play with my friends I sometimes play fight.

When we play fight, we can get hurt.

It is much better to play gently.

I play gently with my friends. This is fun.

Keeping my hands to myself

I love playing nicely with my friends.

But sometimes we fall out.

Sometimes I hurt my friends.

Sometimes they hurt me.

I love it when me and my friends play gently.

I should try not to hurt people when I play.
