

A Social Story: Playing out at Break time

I love playing with my friends.

We can talk, play and have fun together.

I love playing games with my friends.

Sometimes I get to choose which game to play, sometimes my friends choose.

**Sometimes games can be rough. I run around
a lot.**

Sometimes games can be quiet. I sit still.

Sometimes when we play I get hurt.

Sometimes other people get hurt.

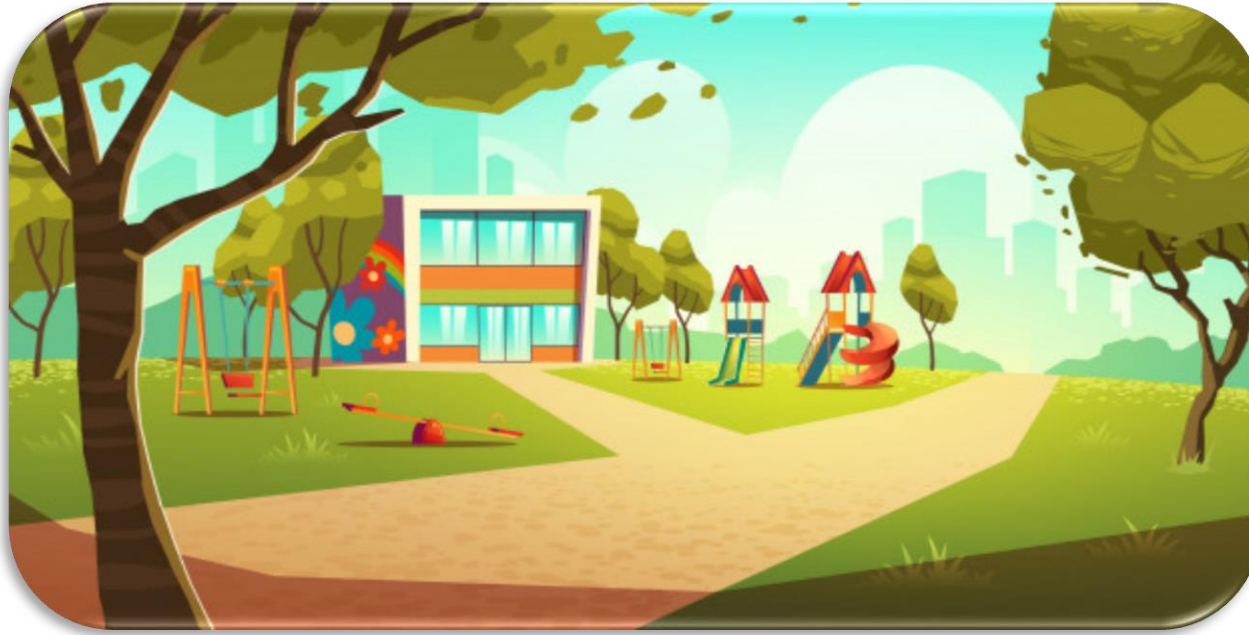

**It is ok if people get hurt by
accident.**

**But I must play carefully and try
not to hurt people.**

**But I must not hurt people on
purpose.
I am gentle when I play.**

Playtime is fun when I play gently.

Playing at Breaktime

I love playing with my friends.

I can play and talk with my friends.

Sometimes when we play I can get hurt
or I can hurt others by accident.

I say sorry if this happens.

I am gentle when I play and I don't hurt
people on purpose.
