

Dear Parents and Guardians,

It's been a joy to see our hallways and classrooms come alive again as we welcomed your children back for the new academic year. The enthusiasm and energy they've brought with them over these past two weeks have been truly inspiring.

Our staff has been working diligently to ensure a smooth and productive start to the term. As I've toured the school, I've been impressed to see learning already in full swing across all year groups. We're particularly excited about the new technology we've introduced this year. Our students are already engaging with these cutting-edge tools, enhancing their learning experience and preparing them for the digital world they'll navigate in the future.

This term promises a wealth of exciting opportunities, both with our new technology and our traditional programs. We warmly invite you to be part of as many events as possible. From concerts and performances to sports events, Masses, and parent-teacher conferences, there will be numerous chances for you to engage with our school community. Sports day, in particular, offer a wonderful opportunity to connect with other parents while cheering on our young athletes.

Remember, we view ourselves as partners in your child's education journey. Your involvement and support are invaluable, and we look forward to working closely with you throughout the year.

Here's to a fantastic academic year ahead!

Best Wishes,

Ms Low Ten Que
