

CHURCHFIELD CE ACADEMY NEWSLETTER

Dear Parents and Carers,

And just like that we have reached the end of the school year. This will be the last newsletter for this year but don't forget we finish on Tuesday 21st at 1.15/1.20pm.

We have had a very successful year at Churchfield this academic year. I am so proud of all of the children, not just in their academic achievements but in the way they conduct themselves, speak to visitors and how they interact with one another. Even when there are playground disagreements, children at Churchfield are reflective and apologetic.

Our results this year have improved greatly. The children have been brilliant in lessons and enjoyed all the fun and exciting topics this year. The staff have worked tirelessly to ensure the children are ready for the next stage of their education. We are so lucky to have committed and dedicated staff at Churchfield, who all want the very best for the children who attend here. I know you will join me in thanking them for all they do and wish them a restful summer holiday.

Sports Day this week was a huge success and the children did a fantastic job! I was proud of their perseverance and good sportsmanship!

Rochford House were the winners of our Junior Sports Day and all junior children received a medal in our celebrations collective worship today. Huge well done to Rochford House!

Please remember to check our uniform policy when preparing for September. I do have high standards for how the children are presented at school. We know that being dressed for school with the correct uniform has a positive impact on their behaviour in school. Please note that black cycling shorts are only allowed with our school uniform if used under summer dresses and skirts. Many thanks for your support with this.

Finally, thank you to all our wonderful parents. I know there is often a lot going on in school and lots to remember, but I really appreciate all your support and partnership throughout the year. Your understanding and engagement make such a positive difference to our school and to the children's success. Thank you for working so closely with us and for everything you do. I wish you and your families a happy, restful and enjoyable summer break, and we look forward to welcoming everyone back in September.

Welcome to the second edition of our Eco Council Newsletter! We've had another busy few weeks working together to make our school a greener, friendlier place for wildlife. From building homes for bugs to watching birds and creating bird houses, we've enjoyed learning more about nature and how we can help protect it.

A huge thank you to everyone who kindly donated materials for our Eco Council projects. Your generosity helped us gather everything we needed to create our fantastic bug hotel.

The Eco Council spent lots of time planning and building our very own bug hotel. We carefully collected natural materials and worked together to create a safe place where insects can shelter. We can't wait to see which bugs move in over the coming weeks!

To encourage even more wildlife around our school, the Eco Council painted a bird house and proudly gifted one to every class. We hope they will provide a safe place for birds to visit and nest.

ECO SPOTLIGHT

We caught up with one of our Eco Council representatives, Ryan, to hear what he enjoys most about being part of the team.

"I like being an Eco Councillor because we help look after nature and make our school a better place."

DID YOU KNOW?

Some solitary bees use tiny holes in wood or hollow stems to lay their eggs. A bug hotel can provide these safe nesting spaces and help support local pollinators.
